DeRose Vineyards "Winemaking by the Generation"

DeRose Vineyards is located in picturesque Clernga Valley, just 45 minutes from Monterey. The winery was designated a Registered Natural Landmark by The National Park Service in 1995 and named the "oldest existing winery" in the state by historian Charles Sullivan.

Winemakers Pat and Al DeRose nurture 100 acres of vines including 40 dry-farmed acres planted before 1900. Savor their award-winning zinfandels, cabernet franc, negrette, merlot, vognier and Pinot in a relaxed atmosphere.

"We tasted a few DeRose wines over the years, and these are the best ones yet" - Laurie Dankel, San Jose Mercury, January 2003
