KINGS HILL CELLARS

Guided by an expert,
You become the winemaker!

A new breed of winery where club members craft fine wines with the industry's best:

- source grapes from California's finest vineyards
- style your wine with a professional winemaker
- crush and press grapes in a state-of-the-art facility
- barrel age your wine in a climate controlled cave
- oversee final blending and bottling
- create your private label with a graphic artist

Reserve your grapes for the 2007 crush!
